

NVBMB

Nederlandse Vereniging voor Biochemie en Moleculaire Biologie

SPRING MEETING 2025

“Molecular Advances in Parkinson’s Disease”

THEMES & SPEAKERS

Clinical perspectives

Wilma van de Berg, Teus van Laar

Biophysics of α -synuclein
aggregation

Anne Wentink

Molecular characterisation and
targeting of LRRK2

Elisa Greggio, Jean-Marc Taymans

Insights from industry

Ambagon
THERAPEUTICS

MAIRTX

And more to be confirmed!

Sign up at nvbmb.kncv.nl
or by scanning the QR code below!

Free for NVBMB members, or €25,- for externals!

PhD students are invited to apply
for our young-NVBMB poster
session and presentation round!

11 June, 2025
10:00 AM - 17:00 PM

Feringa Building,
Zernike campus, Groningen
